Get Started with Pearson’s Hazard City in MasteringGeology (fifth ed.)
For GEOL 118 in the Fall semester of 2016 (Prof. Altaner)

NOTE: To register for and then use Pearson’s Hazard City in MasteringGeology, you will need an access code, credit card, or PayPal account. The required access code comes with your book if you purchased a new textbook published by Pearson; however, if your new textbook was published by Taylor & Francis/Routledge, it won’t have an access code. Used copies of the textbook likely will not have a working access code. Alternatively, you can purchase access to Hazard City in MasteringGeology for $15.

First, get registered!

1. Go to http://www.masteringgeology.com
2. Click Student in the maroon rectangular box on the right side under the heading Register Now. On the next page, click OK! Register now >. On the next page, type MGEOLALTANER79654 in the Enter Your Course ID text box and click Continue. The next screen should have the following information on the right side:
   
   Your Course
   GEOL 118-Hazard City Questions in Web Exercises 2, 3, 4, and 6-Fall, 2016
   Course ID: mgeolaltaner79654
   Taught by Stephen Altaner
   Course ends Dec 31, 2016

3. On this page, click Create and create a new Pearson Username and Password, and then click Create Account. Or, if you’ve already registered for another Pearson product (e.g., MyMathLab), enter that Username and Password.

4. On the next page, click Access Code ONLY if you are redeeming an access code that came with a new printed version of the fourth edition of the Keller and Devecchio textbook published by Pearson. If your new textbook was published by Taylor & Francis/Routledge, it won’t have an access code. On the next page, enter the access code and click Finish. If you don’t have an access code to redeem, click $15.00, USD and on the next page enter your credit card or PayPal account information and click Review. On this page, review the payment information and if it’s correct, click Make Payment.

5. You are now registered! Now, it’s time to enroll in your course. Click Log In Now. Once signed in you can: enter your Course ID (MGEOLALTANER79654) and your U of I NetID (first part of your e-mail address). Hazard City is used only in four Web Exercises (#2, 3, 4 and 6).
